

# DULANI HEMACHANDRA

## QUALITY ASSURANCE ENGINEER

### SUMMARY

I'm motivated and committed undergraduate excited about internship opportunity that will allow me to apply my academic knowledge in real-world situations. Currently, I'm seeking an internship to enhance my expertise, contribute to meaningful projects, and collaborate with industry professionals.

### EDUCATION

**UVA WELLASSA UNIVERSITY** 2022 - present

Expected date for the Graduate 2026

Currently overall GPA : 3 . 431

**GOVERNMENT SCIENCE COLLEGE - MATALE (ADVANCE LEVEL - 2020 )**

Science for Technology (B)

Bio Systems Technology (B)

Information & Communication Technology (C)

### PROJECTS

#### ● Music web Application (Group)

- Created a responsive Music Web Application with features like song search, playlist management, and audio controls. The app highlights strong front-end development skills and a focus on user-friendly, interactive design.
- Used Technologies : HTML , CSS , JavaScript

#### ● Personalized Fitness and Nutrition Planning System (Group)

- Developed a system offering customized workout and diet plans based on user input, featuring a virtual supplement store and a Victory Wall for users to share their progress.
- Used Technologies : MongoDB, Express, React, Node.js

#### ● Real Estate Management System (Group)

- A unified platform for managing real estate listings and enhancing communication, with tools for customers to easily find their ideal homes.
- Used Technologies : React, MySQL, JSP.
